# Apple Theme Week Activities

## Practical Life Skills

Set up the apple cutting station at a low table or the kitchen counter with a step stool.

You will need:

- Apple cutting tool
- Dull knife for small children or butter knife
- Plate

Have your child cut the apple in half with a butter knife or into sections with the apple cutting tool.

For smaller toddlers, assist them with cutting the apple into sections using the apple cutting tool and then have them cut the slices into bite size pieces for a yummy apple snack.

## Apple Paint Prints

Print the apple paint prints page with scripture verse (page 5) and have your child paint apple prints below the memory verse for the week. This activity can follow the Practical Life activity.

If you wish to not sure the scripture, simply provide a plain piece of white paper for your child to use the make the apple prints on.

## Apple & Oat Sensory Bin

## Apple Tree Play Dough Mat

- Get your free fall play dough mats [here from This Reading Mama](#).

## **Apple Theme Color Sequencing, Matching, and Patterns**

Print out pages 6-7 below and set up with circle shaped play dough (red, yellow, and green). It is best to laminate these pages so they hold up while using the play dough.

You can provide the entire page at one time, or cut each line into strips and just provide one strip at a time for your child to complete.

## **Apple Theme Dot Marker Numbers 1-10**

Print out the apple theme dot marker pages 8-17 with numbers 1-10. Set up on a tray and provide the red and green dot markers.

## **Bible Verse for the Week (Optional)**

“Then God said, “Let the earth produce plants - some to make grain for seeds and others to make fruits with seeds in them.” Genesis 1:11, NCV
